of Correction

Dear Sir:

Upon proofreading the sealed patent, we noticed errors in the printed patent. One of the errors in the printed patent was made by the U.S. Patent and Trademark Office, while the other two errors were submitted in good faith and correction of same would not involve changes in the patent that would constitute new matter or would require reexamination.

Transmitted herewith is a proposed Certificate of Correction effecting a corrective amendment, along with our firm check in the amount of \$100.00 to cover the cost of same.

The patentee respectfully solicits the granting of the requested Certificate of Correction.
